USING THE PRAYER GUIDE

The Thirty Day Prayer Guide is an aid to prayer. Its focus is the character of Jesus' people and their ministries to model and message the kingdom of God — the worship, witness, and work of Jesus. Guided by the Holy Spirit, follow each day's specific focus and read accompanying Scripture verses. The first four days concentrate on the Church to model the kingdom (the will) of God. On day one, read Mark 1:15, John 18:37, and Acts 1:11 to pray that the Church will always prioritize the message that Jesus reigns. On day two, read Matthew 6:9-15 to pray that the kingdom will comprise the Church's petitions and practices in preparation for it. Continue through the rest of the 30-day cycle, following the same procedure, then repeat or adapt as necessary. Use the *Psalms to Praise* as a daily adoration of God and allegiance to him. Read Psalm 96 on the first day, Psalm 119:1-8 on the second, Psalm 2 on the third, Psalm 119:9-24, on the fourth, and so on. Throughout the cycle, Psalm 119 is included in its entirety.
